

Minutes September 2015

1. You said.....

Crime in the area is a concern especially burglaries

2. You said.....

There is a huge increase in the smoking of Weed by young people (12 to 18 year olds) in the Corduff area. When caught in possession, even after house searches, these young people are not being dealt with through the Juvenile Liaison Officer (JLO).

3. You said.....

What can be done about disruptive residents especially those persistently causing Anti-social Behaviour?

4. You said.....

Lights in Shop Car Park; more lights need to be placed in car park near the shops as its very dark at night

5. You said.....

A number of spillages have taken place in the Tolka in recent weeks which is causing a depilation in fish stock and deterring young people from engaging in the sport in the area.

6. You said.....

Safer Blanchardstown meetings need to be held more regularly
